Slow Demo

There must be a better way!

– R. Hettinger

Modern Solutions

? Interpreter version	~> Pyenv
? Virtual environment	~> Venv
? Dependencies	~> Pip / Poetry
? Project settings	~> tool_name.ini

✦ UV ✦

Modern Solutions

? Interpreter version	~> uv python install
? Virtual environment	~>
? Dependencies	~>
? Project settings	~>

Modern Solutions

? Interpreter version	~> uv python install
? Virtual environment	~> uv venv
? Dependencies	~>
? Project settings	~>

Modern Solutions

? Interpreter version

```
~> uv python install
```

? Virtual environment

```
~> uv venv
```

? Dependencies

```
~> uv (add|sync|lock)
```

? Project settings

```
~>
```

Modern Solutions

? Interpreter version

~> uv python install

? Virtual environment

~> uv venv

? Dependencies

~> uv (add|sync|lock)

? Project settings

~> pyproject.toml
